

# PRODUCERS

## COOPERATIVE ASSOCIATION

Proudly owned by the farmers and ranchers of the Brazos Valley since 1943.

### BENEFITS

- Saves time and money with one pass
- On average you can expect 45 days of residual control
- Nearly eliminates the risk of physical drift
- Fewer weather delays when compared to spraying
- No spray equipment necessary

### RESULTS

- This effective technique is for hay ground and pastures. Compared to spraying, efficacy is slightly less because we are depending solely on soil activity for control. For example, if you are receiving 100% results from spraying, you can expect 75-80% control with treated fertilizer.

### REQUIREMENTS

- Minimum of 200 pounds of fertilizer per acre (Final rate dependent on soil type)
- Choose one of three herbicide options
  - Chaparral - 3 oz/ac
  - DuraCor - 20 oz/ac
  - GrazonNext HL - 2 pints/ac
- Dyed to indicate treatment

**Chaparral™**  
HERBICIDE

**GrazonNext® HL**  
HERBICIDE

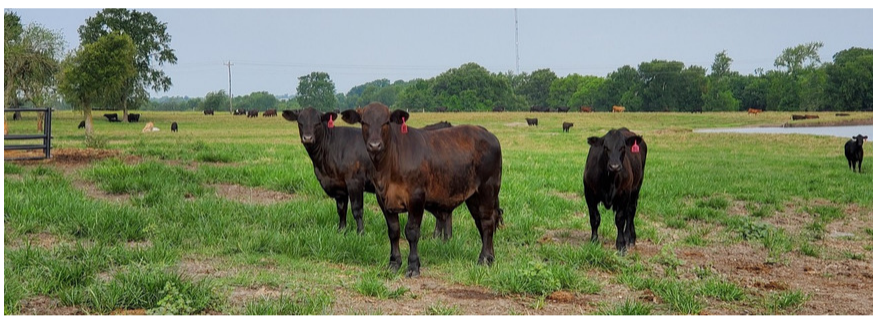

**DuraCor™**  
HERBICIDE

## Save Time with Impregnated Fertilizer

Producers Cooperative offers hay and forage producers dry fertilizer blends impregnated with Chaparral, GrazonNext HL & DuraCor herbicide. Get proven results with our fertilizer and weed control in one convenient application. With fewer weather-related delays and virtually no physical drift, customers can greatly benefit from this method of hay field and pasture management.

Call the Producers Agronomy team today to discuss your treatment plan.  
979-778-6000

## Producers Precon Partners (P3) Program

Demand by Feed Yards for preconditioned healthy weaned calves is growing. Producers Cooperative recognized this trend and created the Producers Precon Partners (P3) Program. By bundling all the products and services we offer into one program allows us to verify and certify that your calves meet the requirements needed to qualify for these special sales.

Please call and discuss the incentives and advantages being offered for purchasing all your needs with Producers Cooperative. One place, one stop, better savings.

For more information on the P3 Program, call Producers at 979-778-2864.

## From The Ground Up

From The Ground Up educates our friends and neighbors in the Brazos Valley about agriculture and its impact on their everyday lives. Be sure to watch our weekly televised segment at approximately 6:15 am on Thursdays or during the Saturday 6 o'clock evening news on KBTX-TV 3, Bryan-College Station's CBS affiliate.

This week's From The Ground Up segment covers how the Agriculture Food Policy Center is the voice of agriculture with Dr. Outlaw.
