## Soil Testing

With Spring right around the corner now is the time to find out what your soil needs are. A soil test will determine your nitrogen, phosphorous, potassium, and lime requirements. Let our Agronomy Department help take the guess work out of buying fertilizer. Whether you have a small garden or yard,

to acres of pasture or hayfield contact our Agronomy Department today at 979-778-6000 to see how a soil test can get you a custom blend of fertilizer for your property.

## From The Ground Up: Christmas in Agriculture

John Malazzo

## From The Ground Up

From The Ground Up educates our friends and neighbors in the Brazos Valley about agriculture and its impact on their everyday lives. Be sure to watch our weekly televised segment at approximately 6:15 am on Thursdays or during the Saturday 6 o'clock evening news on KBTX-TV 3, Bryan-College Station's CBS affiliate. This weeks segment covers Christmas and Agriculture with John Malazzo.
