A Step Towards Sustainability

The fall Tub Recycling Program was a great success. Nearly 6,000 tubs were recycled. With help from our ranching community and our partnership with Purina, these tubs were recycled and turned into durable, weather resistant park benches. One of the lucky attendees at tomorrow's Spring Roundup will win a bench.

Thank you to our livestock community for helping support sustainability!

From The Ground Up

From The Ground Up educates our friends and neighbors in the Brazos Valley about agriculture and its impact on their everyday lives. Be sure to watch our weekly televised segment at approximately 6:15 am on Thursday or during the Saturday 6 o'clock evening news on KBTX-TV 3, Bryan-College Station's CBS affiliate.

In times of hardship, there is a safety net in place to make sure consumers have a consistent food supply. Extension Economist, Dr. Joe Outlaw has further details on this week's From The Ground Up. Click the link above for more details.
