## COOPERATIVE ASSOCIATION

Proudly owned by the farmers and ranchers of the  
Brazos Valley since 1943.

### NEW! Producers All Stock Pellet! Available NOW!

#### 12% ALL STOCK PELLET

This 12% feed is high in fiber and is recommended to be supplemented with free choice minerals.

Formulated to provide a safe maintenance ration for your cattle, horses, goats and sheep.

A convenient and economic option for your farm or ranch.

### Protect your investment. Deworm your herd.

Spring rains bring lush, green grass as far as the eye can see. However, lurking beneath the surface are internal parasites waiting to ambush your livestock and rob your profits. If not treated, livestock can experience loss of appetite, decreased nutrient digestion & absorption,

weakened immune systems and reduced overall performance. Producers Ag Center offers a variety of products to treat internal parasites; including pour-on dewormers, injectables, drenches, cubes and blocks.

**Protect your investment. Call Producers today for a tailored deworming program.**
