### From The Ground Up

From The Ground Up educates our friends and neighbors in the Brazos Valley about agriculture and its impact on their everyday lives. Be sure to watch our weekly televised segment at approximately 6:15 am on Thursday or during the Saturday 6 o'clock evening news on KBTX-TV 3, Bryan-College Station's CBS affiliate.

The complications of war flow over to energy prices and transportation methods. However, in all negatives, there are some positives. Central Texas farmer, Lee Denena, has more on this week's From The Ground Up.
