Fruit Trees Coming Soon

It is almost that time of year!
Fruit trees will be here by the
end of October! Apple, pear,
peach, plum, nectarine,
pomegranate, as well as
blackberries will all arrive very
soon! Come see our wide
selection or give us a call at
979-778-6000 to learn more!

Soil Sampling

Did you know you can get
your soil tested at
Producers? Research
today supports soil
sampling and testing as
one of the best
management practices
you can do. Growers

should take the opportunity to learn as much as possible about their soil in order to
produce their best yields. Producers Cooperative is proud to be able to help farmers and
ranchers get the most out of their land. To learn more call 979-778-6000, or text our
Agronomy team at 979-272-6815.
