Now Offering Zesterra

What is Zesterra? Zesterra is an all-natural supplement designed to support horses during times of stress, such as hauling, heavy training, foaling and during times of extreme heat or cold. This oral suspension is designed to relieve stress and digestive disorders by neutralizing excess gastric acids, encouraging feed and water consumption, and allowing for greater nutrient absorption. Zesterra stimulates appetite and water consumption safely and naturally by balancing the pH of the stomach. It can be used as a flavor enhancer for horses that reject water from new sources when being hauled to new destinations.

Available now for purchase at the Bryan location!

From The Ground Up

From The Ground Up educates our friends and neighbors in the Brazos Valley about agriculture and its impact on their everyday lives. Be sure to watch our weekly televised segment at approximately 6:15 am on Thursdays or during the Saturday 6 o'clock evening news on KBTX-TV 3, Bryan-College Station's CBS affiliate.

This weeks From The Ground Up segment covers the impact gene editing technology could have on food security with Texas A&M Animal Science Department Head, Dr. G. Cliff Lamb..
