Location:
Producers Cooperative Association
1800 N Texas Avenue, Bryan TX 77803

(979) 778-6000

Soil Fertility

Start your fall grazing forages off right this season by checking your soil fertility. Research supports soil sampling and testing as one of the best management practices available. Growers should take the opportunity to learn as much as possible about their soil in order to produce their best yields. Supplementing the nutrient gaps in the soil will support the development and growth of the forage throughout the season.

To learn more, join us on Saturday, September 11th for our Fall Forage Informational Class!

979-778-6000

A Fleet to Fit Your Needs

Producers offers convenient bag, bulk and tote deliveries to your farm or ranch. Call, text or email our Feed Sales team to inquire about delivery options.

From The Ground Up

From The Ground Up educates our friends and neighbors in the Brazos Valley about agriculture and its impact on their everyday lives. Be sure to watch our weekly televised segment at approximately 6:15 am on Thursdays or during the Saturday 6 o'clock evening news on KBTX-TV 3, Bryan-College Station's CBS affiliate.

This weeks From The Ground Up segment covers the impact that students could have on communities with Texas A&M Animal Science Department Head, Dr. G. Cliff Lamb..
