

Purina® Mills Wine and Rain® All Season 12 Complete Cattle Mineral

This mineral is designed to correct deficiencies of the available forage in a palatable, weather-resistant, loose formula. The large particle size and special formulations keeps the mineral from blowing out of the feed and can even be consumed after it's been wet. This helps eliminate waste and ensure maximum consumption.

***For beef cattle on pasture - intended for beef cattle only.**

FEATURES

- **Balanced mineral nutrition:**
 - Contains the proper balance of all 14 essential cattle minerals.
 - Optimum levels of trace mineral at a 4 oz. consumption rate. This aids in disease prevention, improves fertility and promotes fetal development.
- **Consistent consumption:**
 - Research tested and field proven, W&R is formulated with high quality, and coarse textured ingredients that help assure proper palatability. This means the cattle eat what they need, when the need it.

Ingredients: Dicalcium phosphate, monocalcium phosphate, processed grain by-products, plant protein products, calcium carbonate, molasses products, salt, mineral oil, potassium chloride, magnesium oxide, ferric oxide, vitamin E supplement, vitamin A supplement, cobalt carbonate, manganese sulfate, ethylenediamine dihydriodide, zinc sulfate, copper chloride, fenugreek flavoring, vitamin D3 supplement, sodium selenite.
*Ruminant meat and bone meal free.

Directions: Feed free choice continuously, approximately 3-4 ounces per head per day from a sheltered feeder to range cattle or cattle fed on a high forage ration. Maintain a supply off fresh, clean water near feeding area. The feeding of additional salt is not required.

WARNING: This product contains added copper which can be toxic to sheep. Do not allow sheep access to this product.

Important: Maintain a source of fresh, clean water near the feeding area at all times.

CAUTION: Store in a dry, well ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness, abortion or death.
