INGREDIENTS

Processed Grain Byproducts, Grain Products, Forage Products, Roughage Products (12%), Soybean Meal, Molasses Products, Ground Limestone, Ammonium Chloride, Salt, Calcium Carbonate, Brewers Dried Yeast, Selenium Yeast, Zinc Sulfate, Manganese Sulfate, Zinc Oxide, Manganous Oxide, Vitamin E Supplement, Vitamin A Supplement, Vitamin D3 Supplement, Thiamine Mononitrate, Sodium Molybdate, Ethylene Diamine Dihydriodide, Cobalt Carbonate and Soybean Oil.

FEEDING DIRECTIONS

Feed 1 to 5 pounds per head per day of SHEEP AND GOAT PELLETT, based upon forage conditions, size of animal and desired rate of growth. Always provide adequate amounts of fresh, clean water. When feeding 3 pounds or more per head per day, divide the fed amount into two evenly spaced meals. Adding grain products to sheep and goat diets can often result in the development of urinary calculi. Consult your nutritionist before making such modifications.

CAUTION: Observe feeding directions on the label.
