# Purina® Game Bird 30% Protein Starter

**Specie:** Game Bird    **Type of Feed:** Complete    **Form of Feed:** Crumble

**General Description:** Purina® Game Bird 30% Protein Starter Feed is a complete feed for pheasants, quail, chukars, guinea fowl and other exotic game birds from 0-6 weeks or turkeys 0-8 weeks of age. Game birds and other poultry are growing in popularity as backyard flock enthusiasts explore new birds and diversify their flocks. These birds require high protein and specific nutrients, different from baby chicks, to start strong. Purina® Game Bird 30% Starter feed is formulated to provide all of these unique nutrients.

**PURINA®**  
**GAME BIRD 30% PROTEIN STARTER**  
COMPLETE FEED FOR STARTING TURKEYS, PHEASANTS, QUAIL, CHUKARS  
AND OTHER EXOTIC GAME BIRDS  
**CAUTION: FEED AS DIRECTED**

#### FEEDING DIRECTIONS

For Coturnix quail, feed from hatch through 5 weeks of age. Transition to PURINA® Game Bird Layer Feed at 6 weeks of age. For all other quail, pheasants and guinea fowl, feed from hatch through 6 weeks of age. For peafowl, chukars and turkeys, feed from hatch through 8 weeks of age.

#### IMPORTANT

Follow sound management practices and disease and sanitation control measures. If any questions, contact your veterinarian or salesperson.

#### CAUTION

Store in a dry, well-ventilated area protected from rodents and insects. Do not feed moldy or insect- infested feed to animals as it may cause illness, performance loss or death. USE ONLY AS DIRECTED

#### NOTICE

Regulations for the feeding of game birds and wild birds vary from state to state. Check with your State Game and Fish Department or Department of Natural Resources for guidelines on the proper use of this product.

**Available Options:**
