3005360-106	50 lbs.	
3005360-746	8 x 5 lbs.	

Product Features:

Premium, mixed grains

Encourages instinctive behaviors

Backyard happiness

Product Benefits:

Freshly-ground North American grains

Made to support instinctive pecking and scratching behavior

Keeps the flock entertained

IMPORTANT:

This product is to be fed only to the animal species as directed on this label. Follow these management practices:

1. A feeding program is only as effective as the management practices.
2. Follow sound management practices and disease and sanitation control measures.
3. Purina® Scratch Grains is a grain supplement, not a complete feed.
4. If too much is fed, it will dilute the feed intake of complete feeds such as Purina® Start & Grow®, Purina® Flock Raiser® or Purina® Layena®, reducing the bird’s nutritional intake and overall performance.
5. If any questions, contact your veterinarian or salesperson.
6. Actual results can vary depending upon feed intake, environmental conditions and the quality of management practices.
7. Always provide shelter and a constant supply of fresh, clean water.

CAUTION:

Store in a dry, well-ventilated area protected from rodents and insects.
Do not feed moldy or insect-infested feed to animals as it may cause illness, performance loss or death.

KEY POINTS:

Consumption will vary depending upon season of the year, nutritional needs of the animals and availability of other foods.
