Vitamin A, I.U./LB (Min)	3000
Vitamin E, I.U./LB (Min)	125

INGREDIENTS

Please refer to feed tag for list of ingredients.

DIRECTIONS:

Start with the amounts given for the weight and lifestyle of the horse. After observing the horse for a period of time, the amount fed may be increased or decreased to obtain the desired body condition and weight.

	Weight of Horse in Pounds				
	600	800	1000	1200	1400
	(lbs./day)				
Minimum Hay or Equivalent Pasture*	7.00	9.50	12.00	14.50	17.00
	Ultium® Gastric Care Horse Feed (lbs./day)**				
Maintenance					
Elevated Activity	2.00	2.75	3.25	4.00	4.50
Light Work	3.00	4.00	5.00	6.00	7.00
Moderate Work	4.25	5.50	6.75	8.00	9.50
Heavy Work	5.25	7.00	8.50	10.25	12.00
Very Heavy Work	7.75	10.25	12.75	15.25	17.75

4 lbs. of Ultium® Gastric Care provides 1 full serving of Outlast™ supplement. If feeding less than this amount in one meal, we recommend top-dressing with 100 g (3/4 cup) Outlast™ supplement for optimal buffering.

*This is the recommended minimum amount of hay to be fed. If feeding more hay, reduce the feeding rate of Ultium® Gastric Care Horse Feed by 1.0 lb. for every additional 2.0 lbs. of hay fed.

**Do not feed less than 0.3 lbs. per 100 lbs. of body weight per day to meet minimum protein, vitamin and mineral requirements for maintenance. If you horse gains too much weight at that minimum feeding rate, then you should replace Ultium® Gastric Care Horse Formula with a lower calorie Purina® Horse Feed option or Purina® Enrich® Plus Ration Balancing Horse Feed, and supplement with Purina® Outlast™ Gastric Support Supplement.

IMPORTANT:

For horses sensitive to dietary carbohydrates, please consult with a veterinarian or nutritionist for a recommended diet. The proprietary ingredients in Ultium® Gastric Care conform to the rules of competition and racing when fed as directed.

Available Options:

Product No.	Package	Size Diameter
3004519-506	50# Bag	5/32 – 11/64 (Pelleted)

Product Features:

Product Benefits:

Outlast™ Gastric Support Supplement	A full serving provided in a 4-lb. meal to support gastric health and proper pH.
Specialized Yeast Extract	Additive to support the immune systems of horses affected by the stress of competition.
Highly Digestible Fiber Sources	Fibers sources including beet pulp, alfalfa meal, and soy hulls, to support an optimal hindgut environment.
High-Calorie Formula	Supports the energy demands of hard-working horses.
High-Quality Protein Sources	Protein sources and added amino acids support a strong topline and quick muscle recovery.
Purina® Amplify® High-Fat Nugget	Nugget contains multiple sources of fatty acids, including flaxseed, stabilized rice bran and vegetable oils, to help maintain body condition, shine and bloom.
Concentrate Feed	Designed to be fed with hay or pasture.

CAUTION:

Store in a dry, well-ventilated area protected from rodents and insects.
 Do not feed moldy or insect infested feed to animals as it may cause illness, performance loss or death.
USE ONLY AS DIRECTED
