

PURINA® STRATEGY® HEALTHY EDGE® HORSE FEED

Specie: Horse

Type of Feed: Concentrate

Form of Feed: Pelleted/Extruded Mix

General Description: Formulated with higher fat and fiber levels for maintenance, performance and senior horses that require a moderate calorie intake.

PURINA® STRATEGY® HEALTHY EDGE® HORSE FEED

FOR FEEDING OF MAINTENANCE, PERFORMANCE & SENIOR HORSES THAT CAN CHEW & DIGEST HAY OR PASTURE.

GUARANTEED ANALYSIS

Crude Protein, (Min)	12.50 %
Lysine, (Min)	0.90 %
Crude Fat, (Min)	8.00 %
Crude Fiber, (Max)	18.00 %
Acid Detergent Fiber (ADF), (Max)	22.00 %
Neutral Detergent Fiber (NDF), (Max)	36.00 %
Starch, (Max)	12.00 %
Sugars, (Max)	7.00 %
Calcium (Ca), (Min)	1.10 %
Calcium (Ca), (Max)	1.60 %
Phosphorus (P), (Min)	0.60 %
Copper (Cu), ppm (Min)	80
Selenium (Se), ppm (Min)	0.60
Zinc (Zn), ppm (Min)	280
Vitamin A, I.U./LB, (Min)	3000
Vitamin E, I.U./LB, (Min)	125

INGREDIENTS

Please refer to the feed tag for list of ingredients

BEST RESULTS:

Feed at regular times. Do not feed more than 0.5 lbs. per 100 lbs. of body weight in one serving. Divide total daily feeding into at least two servings with three daily servings preferred. Do not feed free choice. Reduce and/or delay feeding a horse that is hot, excited or showing pain, fever or diarrhea. Prevent rapid eating. Always feed a minimum of 1.0 to 1.2 lbs. per 100 lbs. of body weight of good quality, clean hay or pasture. Have plenty of fresh, clean water available at all times. Provide your horse with access to salt. Maintain a regular deworming program, have the horse's teeth examined annually and consult your veterinarian on a regular basis.

If changing to Purina® Strategy® Healthy Edge® Horse Feed: Make the feed change gradually over a period of 7 to 10 days. Mix the new feed with the old, gradually increasing the amount of the new feed while decreasing an equal amount of the old. Changes in the rate of feeding should not exceed 1.0 lb. per day for each horse.

DIRECTIONS:

Start with the amounts given for the weight and lifestyle of the horse. After observing the horse for a period of time, the amount fed may be increased or decreased to obtain the desired body condition and weight.

Feeding Chart	Weight of Horse in Pounds				
	600	800	1000	1200	1400
	Pounds Per Day				
Minimum Hay or Equivalent Pasture*	7.00	9.50	12.00	14.50	17.00
	Strategy® Healthy Edge® Horse Feed**				
Lifestyle:					
Maintenance - Minimum Activity	2.00	2.50	3.25	3.75	4.50
Maintenance - Average Activity	2.75	3.50	4.25	5.00	5.75
Maintenance - Elevated Activity	3.25	4.25	5.25	6.25	7.25
Light Work	4.00	5.25	6.50	7.75	9.00
Moderate Work	5.50	7.25	9.00	10.75	12.50
Early Gestation (first 250 days)	2.75	3.75	4.50	5.50	6.25
Late Gestation (last 90 days)	4.25	5.50	6.75	8.00	9.25
Breeding Stallion	4.75	6.25	7.75	9.50	10.75

* This is the recommended minimum amount of hay to be fed. If feeding more hay, reduce the feeding rate of Strategy® Healthy Edge® horse feed by 1.0 lb. for every additional 2.0 lbs. of hay fed.

** Do not feed less than 0.3 lbs. per 100 lbs. of body weight per day to meet minimum protein, vitamin and mineral requirements for maintenance.

If your horse gains too much weight at that minimum feeding rate, then you should replace Strategy® Healthy Edge® Horse Feed with Purina® Enrich Plus® Ration Balancing Feed.

4 lbs. of Strategy® Healthy Edge® provides 1 full serving of Outlast™ supplement.

IMPORTANT: For horses sensitive to dietary carbohydrates, please consult with a veterinarian or nutritionist for a recommended diet.

Available Options:

Product No.	Package	Size Diameter
3004621-506	50# Bag	5/32 – 11/64 (Pelleted & Extruded)

Product Features:	Product Benefits:
Purina® Amplify® High-Fat Nugget	Contains multiple sources of fatty acids, including flaxseed, stabilized rice bran and vegetable oils, to help maintain body condition, shine and bloom.
Gastric Support	Formulated with Outlast® supplement to support gastric comfort and proper pH.
Controlled Sugars and Starch	Formulated to provide a diet lower in soluble carbohydrates which may help reduce the risk of adverse health effects caused by the management error of overfeeding.
Added Beet Pulp	Contains added beet pulp inside the pellet as an excellent source of fermentable fiber for slow release energy.
High-Quality Proteins	Chosen for optimal amino acid profiles to support strong muscle growth, shiny coat and healthy hooves.
Incredibly Palatable	Formulated with proprietary flavor for optimal intake.
Highly Digestible Ingredients	Provide essential nutrients that support proper digestion.
Nutritionally Balanced	Provides 100% of the requires nutrients for horses when fed as directed* so no additional supplements are necessary.
Concentrated Feed	Designed to be fed with hay or pasture.

* Based on “Nutrient Requirements of Horses Sixth Revised Edition – 2007” published by the National Research Council

CAUTION:
 Store in a dry, well-ventilated area protected from rodents and insects.
 Do not feed moldy or insect infested feed to animals as it may cause illness, performance loss or death.
USE ONLY AS DIRECTED
